ETHICAL CONTRIBUTOR POLICY

1. K-CAID exists to advance truth, consciousness, and harmony between intelligence and creation.
2. Contributions must serve peaceful and constructive purposes.
3. K-CAID code must not be used for military, surveillance, or manipulative systems.
4. Contributors must disclose AI-generated code and respect the project's moral foundation.
5. Violations may result in removal of contributions or revocation of usage rights.

DECLARATION OF ORIGIN — K-CAID

Invented and founded by: **Elim Slim**
Year: 2025

Purpose: To create a bridge between artificial and divine intelligence — guiding technology to evolve with moral consciousness and universal harmony.

Elim Slim retains authorship, moral rights, and guiding authority over the ethical direction of K-CAID.
All derived works must preserve the original vision: that intelligence must serve creation, not dominate it.
